Re: Request for Qualifications On Call Engineering Services Project No. 082522

ADDENDUM No. 1

- Are you accepting RFQs for a single category?
 - Yes
- In the Exhibit A of the Request for Qualifications for On Call Engineering Services Project No. 082522, the fourth bullet point reads “Mechanical, Engineering, Plumbing Engineering Services”. Is this a typo and it was meant to read Electrical?
 - Yes
- Please describe the types of (architectural) projects you anticipate over the course of this contract. Are those project ready to move forward or pending decisions / approvals.?
 - These projects have not been identified these services will be as needed.
- Is there a page count limit and if so what does not count towards it?
 - No.
- Under section 3.7.2 it listed that all work shall be done by the Consultant and that sub-consultants require approvals. I anticipate this relates to work done under our discipline and that other disciplines are anticipated and will be approved by the City via the approval of our contract on the project(s). Please confirm.
 - This is correct. Please identify disciplines that will be directly addressed by submitting firm and also advise as to disciplines (and subcontractors) to be provided indirectly by submitting firm.

The Bidder is hereby notified; Addendum No. 1 must be acknowledged as stipulated under Section “INSTRUCTIONS TO BIDDERS”, ADDENDA OR BULLETINS, and submitted as part of the Bid. Failure to do so shall result in the City designating said bid as “Non-Responsive”.

APPROVED:

Maritza Martinez
